

Open House #3 Summary

Logistics

February 10, 2015
6:30PM – 8:00PM
Walker Art Center

Purpose of Meeting

- Share detailed design for the project
- Share proposed construction phasing/staging plan
- Solicit input before plans are finalized

Materials and Participation

Participants were able to view and provide comments on the roadway layout, construction staging/phasing, and visual/landscape concepts before final plan approval. 73 people signed in to the open house. 22 comment sheets were submitted.

Open house materials were organized into 7 stations, with displays illustrating the following:

- 1) **Project Background**
 - Need for project and project description
- 2) **Project Layout**
 - Roadway, trail, and sidewalk improvements
- 3) **Construction Staging/Phasing**
 - Included proposed alternate routes and event considerations
- 4) **3D Model Video**
 - “Fly through” of the proposed corridor
- 5) **Landscape Improvements**
 - Layout plan and perspectives
- 6) **Project Timeline**
- 7) **Comments**
 - Opportunity to provide any additional comments

There were also tables for the sanitary sewer improvements project (a separate city project) and the Hennepin/Lyndale Citizen Task Force.
